Course news

Greenkeepers and Exco request

Bottle tops are becoming a major concern and problem on the course. These are being dropped all over the course and cause a problem for the mowers. A dropped bottle top can damage the blades on the course mowers. The replacement of blades is extremely costly. We appeal to all to assist us in an attempt to insure that this stops. Thanks.

Competition news

Lake Club Benoni Open Mixed

The second open mixed competition was held on the **18th March** and was won by: Bryne Ferguson, Iona Ferguson, Keith Littleford and Donita Littleford.
